

PETTY CASH SYSTEM – POC

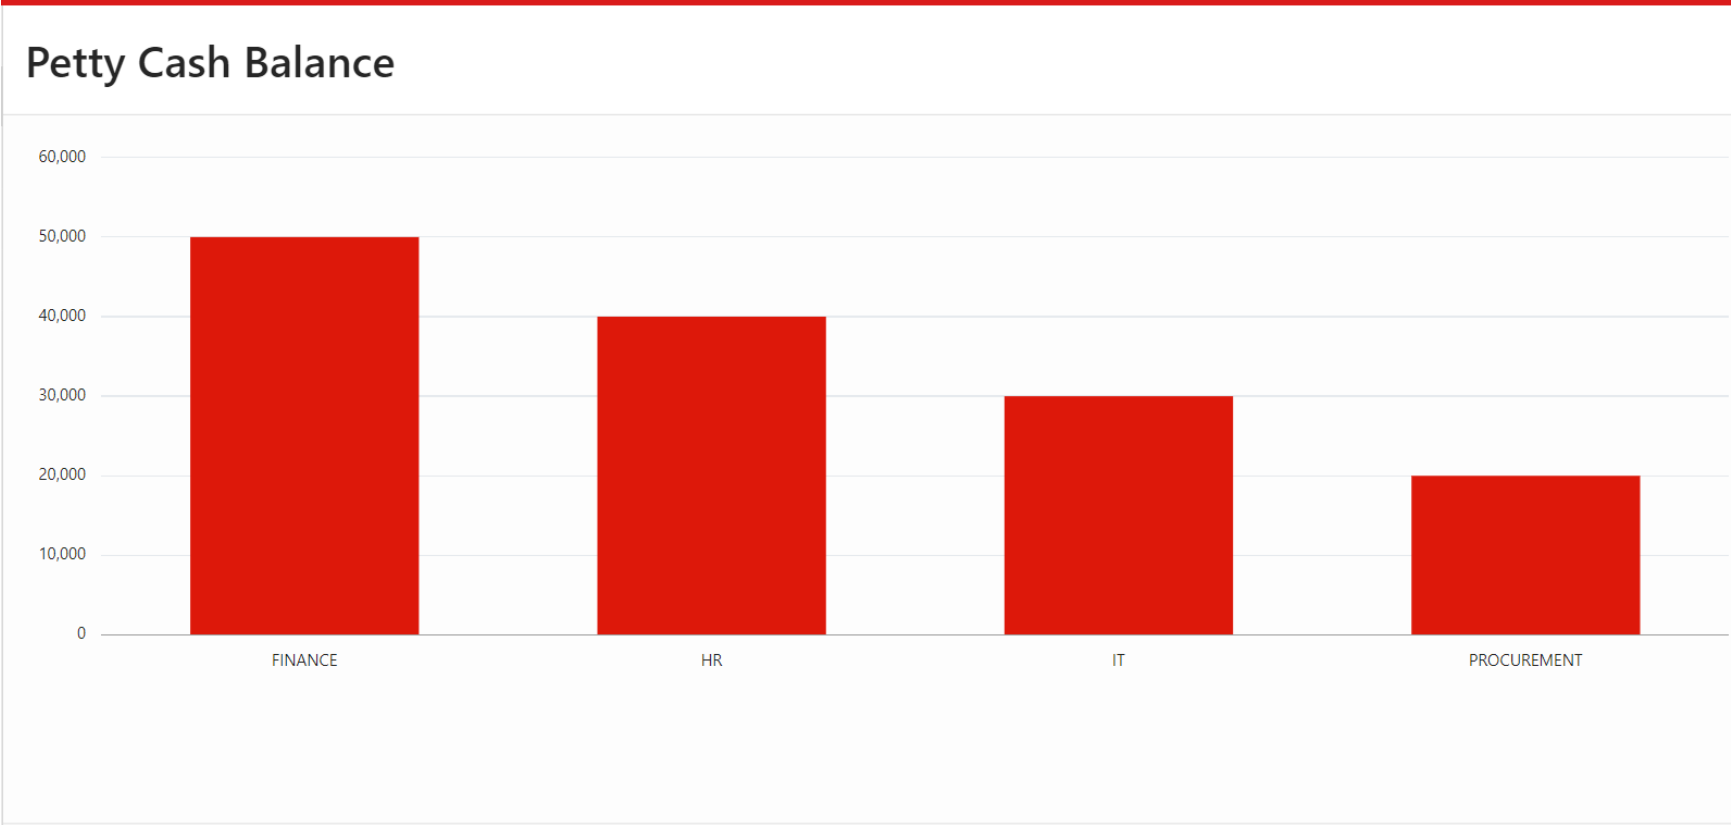

By: Praveen David Jacob

www.learnmystuff.com

Screen 1 – Home Page

The screenshot displays a web application interface for Petty Cash. On the left is a vertical navigation menu with a grey background and a red highlight on the 'Home' item. The menu items are: Home (house icon), Petty Cash Balance (bar chart icon), Petty Cash Transactions (grid icon), Petty Cash Register (list icon), and Administration (person icon). The main content area has a white background and a red header bar. The header bar contains a document icon and the text 'Petty Cash'. Below the header, there are three large, colorful buttons arranged horizontally. The first button is red with a white bar chart icon and the text 'Petty Cash Balance'. The second button is blue with a white grid icon and the text 'Petty Cash Transactions'. The third button is teal with a white list icon and the text 'Petty Cash Register'.
